Service requires one (1) Year commitment* and autopay from credit card. A setup fee of \$25.00 applies and will be billed with the first month's service. Client will provide their own ATA, SIP-compatible phone or soft phone. PrismNet, Ltd. will port one existing phone number (if transferable) or will provide a number in Clients' area code. International Long Distance (ILD) charges apply. Shell and Dialup Account will be activated upon request. Hosting includes 100 Mb of storage and 1 Gb of transfer per month. Phone service includes voicemail.

* Cancellation fee is 75% of remaining contract commitment.
